Personal Message from Inner Light's Tim Beckley Come See "Max"—The 10,000 Year Old Crystal Skull in San Diego March 12-15

We haven't hardly had time to announce the rare public showing of "Max," the magical 10,000 year old crystal skull, at our third annual National New Age & "Truth About UFOs" Conference in San Diego (March 12-15, 1993), and already the phone is ringing off the hook from the public and media alike. They are all anxious to get a close-up look at one of the most wondrous artifacts to be found at any time in the history of our planet.

No one can say for certain where "Max" came from, but the skull's owner (JoAnn Parks of Houston, Texas), was given the human-sized skull many years ago by a Tibetan healer whom she has worked with. But because of its many magical qualities and the fact that the technology that crated the skull could not have existed on our world over one hundred centuries ago, there is every reason to believe "Max" might have been "dropped off" by extraterrestrials. Some who have gazed into the core of the 18 pound skull have seen spaceships and far-off worlds, while many others have reported a heightened sense of clairvoyance and the ability to see past—and maybe even future—lives.

Take, for example, this testimony on file from our own staff photographer Helen Hovey, who first "met" "Max" at a workshop in Phoenix.

"When my turn finally arrived to go and actually sit with 'Max' and touch him—meditate with him—it was wonderful! At first I stroked his skull and I was amazed at how smooth it was. I placed by palm over his Third Eye and I felt as if 'Max' liked me. In fact, I said out loud, 'He's friendly' and the lady who owns 'Max,' JoAnn Parks, said to me: 'People often feel that way around Max, and, like yourself, openly express that same sort of feeling.'

"I then went on a mental journey while holding onto 'Max.. I soon visualized the last time I saw my late husband. He had been laid out to rest before being cremated. At the time, I just wanted to stroke his beautiful hair, and I did. I found myself stroking his soft, straight, dirty blond hair. Like I had done so many times before, I stroked and stroked his hair. This memory came back to me so very vividly. But, I wasn't sad like before. In fact, I felt as if I'd spent many lifetimes with my late husband, and would sure enough see him again next time around. There was absolutely no doubt in my mind whatsoever.

"Soon after, I saw myself as an American Indian girl sitting in a

meadow, with my late husband also dressed as an American Indian. His head was resting on my lap, and I was stroking his soft, beautiful, straight hair. Looking deep into his eyes—we were so very much in love—The feeling was very powerful. I'm convinced this was a past life recall, while in the presence of Max. It's funny, because my husband was often asked in life if he had any American Indian in his bloodline (which he didn't), because of his unusually straight, thick—yet very fine—hair.

"When I finally came back to reality, and walked away from Max, I felt relaxed, as if I had just had a mental and physical message, with an overwhelming feeling of happiness and well being, that everything was going to turn out just positive in my life. I'm grateful for the opportunity to be in Max's presence. The Crystal Skull changed my life. I'm positive of that, no matter how difficult it might be to explain to others what I went through when I was with Max."

In addition to "Max," there will be plenty more to see and do at our forthcoming conference. With over 40 speakers scheduled on the program, there should be something for everyone's liking (from American Indian Shamanism to the latest on Area 51's underground alien bases). So make your reservations now and plan to be at the "show of shows" this March at the Lafayette Hotel, in San Diego, for another exciting Inner Light program.

Photographer Helen Hovey is among those to feel the incredible psychic enhancing powers of "Max"—the 10,000 year old Crystal Skull.

The author maintains that a sinister force will manipulate a secret de-facto world government in 1995, staging a fake extraterrestrial landing to bring about a New World Order, an ominous totalitarian system long prophesied.

UFOs—Countdown to the "Grand Deception" of 1995

by Norio Hawakawa
Author, *UFOs—The Grand Deception and
The Coming New World Order*

Editor's Note: Mr. Hawakawa is the Regional Director of Civilian Intelligence Network, and has been instrumental in leading many expeditions to the perimeters of Area 51 in Nevada, to acquire information regarding the military's secret program there, as well as several covert operations facilities in California. He feels he has a mission to inform the public about the real reasons for the worldwide UFO cover-up and about a sinister plot he describes as the "Grand Deception of 1995." He will be making many startling revelations as he speaks at the forthcoming National New Age & "Truth About UFOs" Conference, at the Lafayette Hotel in San Diego, California, March 12 through the 15, 1993, in a program sponsored by UFO REVIEW and INNER LIGHT.

...

From what has been shown me, I believe that there is a conditioning process now taking place that will be the basis for an incredible series of events to take place some time in the Fall of 1995.

The big question on my mind is—what about all the drastic changes taking place—whether in world politics, economy, science, technology or even religion—are they sheer coincidence, or is there some unseen, pre-planned design behind them all? There is no question that the world is headed for some climactic moment or some type of "paradigm shift" as it continues its thrust towards the year 2000.

I am convinced that UFOs—or at least what the public continues to perceive as UFOs—will play a significant role in bringing about such a "paradigm shift." It is my belief that UFOs are somehow linked to a sinister "occult" force present in the world that is manipulating a de-facto secret world government of a sort, preparing to ingeniously "stage" a counterfeit extraterrestrial contact-landing and to simulate an extraterrestrial "threat" of invasion in order to urgently and ultimately bring about a delusive New World Order. The amazing thing is that the real guiding force behind this "staged" event may indeed be what could only be described as highly intelligent, but deceptive, "ultradimensional negative entities" conveniently materializing in disguise as extraterrestrial "aliens."

Furthermore, I believe that this "Grand Deception" will occur concurrently with a rapid series of shocking, incredible events, beginning with a Russian-backed Arab Confederacy's disastrous attempt to invade Israel. The world will be astounded by this sudden, unexpected move, fully backed by a massive nationalistic military force of a restructured Russian Federation (although initially "cornered" into this situation by the increased pressure and dexterous power-play of the rapidly-rising Islamic elements within the Federation). This dramatic invasion and the ensuing catastrophic conflagration in the Middle East will immediately be followed by unprecedented earthquakes worldwide, a worldwide financial crisis and a sudden, mysterious "evacuation" (or "removal," depending upon one's viewpoint) of a segment of the population worldwide, all of which will culminate in an urgent, official declaration of a totalitarian New World Order that will last for seven years upon its inception.

The shocking series of events will—needless to say—put millions and millions of people worldwide in an absolute stupor for weeks during which time an ingeniously executed, extremely effected "multi-leveled" mind control program will be activated to calm down the stunned populace. The most difficult challenge that will be faced by the leadership in control of the New World Order that will be initiated at that time will be how best to explain away these shocking, unprecedented concurrences of events, particularly the unexplained disappearances of a segment of the population worldwide.

I believe that at that junction, a dynamic, charismatic leader (who will arise out of the European Community, by then known as the United States of Europe) will appear live in a worldwide television news conference, and will offer a brilliant explanation to sedate the public. I somehow feel that this person is alive today somewhere in Western Europe, possibly around 29 years of age and just waiting to begin his "mission" officially.

There is, states one theory, a war going on in the intelligence community between a group centered in the CIA called Aquarius (around a power center known as "MJ-12") and a group known as "COM-12" centered around Naval Intelligence. COM-12 is reputedly trying to sustain a rearguard action to sustain and preserve constitutional government and is deliberately leaking information damaging to the former group. This paper contains hitherto unpublished data pertaining to this covert program that will take place—"if all goes as planned"—by the year 1995.

Information revealed includes:

- The Secret Program At Area 51
- The Mind-Control Game—A Future Scenario.
- Covert Operations & The Aerospace Connection.
- COM-12 Verses Wackenhut World Technologies.

He will ingeniously claim that the incident was a carefully planned, massive extraterrestrial "abductions" operations necessary for the temporary removal and relocation of a certain undesirable, and uncooperative sector of society whose continued presence therein would hamper the realization of global transformation into a true "New Age." The extraterrestrials, then, would offer assistance in bringing the world into a new "paradigm shift."

Somehow the public will be convinced and will accept his explanation, at which point he will assume the leadership of the New World Order.

An effective mind-control system is no longer confined to the realm of science fiction. The government's mind-control research and ongoing experiments thought to be conducted covertly may have some significant military applications.

The U.S. Naval Research Laboratory, in particular, seems to have a Parapsychology Research Unit that coordinates its research activities with DARPA (the Defense Advanced Research Projects Agency). It is my understanding that some of their activities conducted under the auspices of the Office of Naval Intelligence are being held at locations such as Area 51.

ELF (extremely low frequency) wave-emitting devices, scalar machines, electromagnetic beam weapons and highly-defined holographic projections are just a few examples of the many new types of mind-control "weaponry" that the government seems to have developed in the past three decades or so. Newest researches on special types of hallucinatory and memory-tampering drugs are part of a growing "arsenal" that the U.S. Naval Intelligence boasts to have developed in its own Parapsychology-Mind Control Unit.

According to a recent information provided to me by a highly reliable informant within a special operations group of the Department of the Navy, one of the most widely used devices will be R.H.I.C. (Radio Hypnotic Intra-Cerebral Control) and E.D.O.M. (Electronic Dissolution of Memory). The first of the two, Radio Hypnotic Intra-Cerebral Control, calls for the implantation of a very small, electronic, micro-radio receiver. It acts as a Stimulator that will stimulate a muscle or electronic brain response. This, in turn, can set off a "Hypno-programmed" cue in the victim or subject, that would elicit a pre-conditioned behavior.

DESCRIBING ALL MANNER OF GLOBAL
CONSPIRACIES IN ORDER TO REMAIN
SAFE AND SANE IN THE DAYS JUST AHEAD!**

COSMIC PATRIOT FILES

- Some may find these books to be among the "nuttiest" ever written.
- Many may find their contents utterly devastating and impossible to accept, taking comfort in the words of the Bible, or giving up their New Age studies altogether.
- Others will become hopping mad when they realize to what extent their lives are being manipulated by what till now has been an "unseen force."

The **COSMIC PATRIOT FILES** represent years of dedicated research into some of the most thought provoking—and certainly scariest—topics you are likely ever to be confronted with. And while its contents may be difficult for some to accept at face value, those who carefully scrutinize this closely written text will realize its true significance as being the most important such document of our age (if not of all time)!

It is the conclusion of those who compiled this book that the human race has long been led astray by a secret—or "shadow"—government, best known to outsiders as the Illuminati, the grand-daddy of all Secret Societies thought to exist. It is this group of "global monsters" who have for centuries been in control of what the human race is allowed to believe and think.

It is said that the Illuminati is responsible for all wars, for the assassination of world leaders not willing to "give in" to this secret agency's sinister ways, and for controlling the flow of international currency and reaping financial disaster and mayhem wherever—and whenever—possible.

The **COSMIC PATRIOT FILES** are definitely NOT meant for everyone. "The Committee of 12 to Save the Earth," fully realizes this massive work would only likely reach a "select" audience who needs to know the truth about these many hidden—and previously forbidden—subjects.

The **COSMIC PATRIOT FILES** is broken down into

eleven separate sections—and presented in two separate volumes for easy handling and readability. There are no pictures or graphics to take up needless room, but page after page after page of all-important documentation—the documentation you may need in order to survive the troubled times just up ahead as the forces of evil attempt to send out the anti-christ to do their bidding in the world.

HUNDREDS OF VITAL TOPICS NOW REVEALED FOR THE FIRST TIME!

Here are some of the intriguing topics you will find discussed within the pages of this all-important—historical—work:

- ✓ The founding of the Secret Order of the Illuminati (and for what purpose).
- ✓ Mystical significance of the layout of Washington, D.C. and the placement of the Washington Monument, the Pentagon and actual streets and other geographical locations.
- ✓ Identification of global leaders involved in conspiracy to formulate a "New World Order" or "One World Government," and why they would want to do so.
- ✓ Actual power behind the rise of communism, as well as the eventual fall of the Red Empire worldwide.
- ✓ Was George Orwell secretly assassinated because he came close to exposing the truth?
- ✓ What is the possible connection between the mafia—the CIA—and the large oil

companies?

- ✓ Many "front groups" exposed, including the International Working Man's League, and Masonic Lodges.
- ✓ What is behind the massive AIDS coverup?
- ✓ Identity of those who "run" the media and control "Hollywood," and what their motives are.
- ✓ The link between the Federal Reserve, the Council on Foreign Relations, the Tri-lateral Commission, the Bilderburgers and the Aspen Institute.
- ✓ Hitler's "negative" occult influences still alive today.
- ✓ Secret societies identified that go back as far as the Old Testament (many practiced human sacrifices).
- ✓ The "Eleven Committee" and the CHO CHIN CHING (number 666 identified).
- ✓ Formation of the secret cult of the Skull and Bones Society that several U.S. presidents have belonged to.
- ✓ Revelations concerning the "Beast" of Biblical prophecy.
- ✓ Jack the Ripper, a hired assassin?
- ✓ Use of "black helicopters" in keeping tabs on dissident citizens, including UFO witnesses and, especially, abductees.
- ✓ "Secret Police" to be deployed in U.S. and brought in from foreign countries to keep certain citizens in line.
- ✓ Activities of the "Brotherhood of Shadows" and the "Black Sorcerers."
- ✓ National Guard to be converted into National Police Force during national "emergency."

CIA/ALIEN CONNECTION EXPOSED!

The following books contain dramatic details concerning the U.S. government's attempt to keep hidden from the public the greatest truth of all time...the fact that interplanetary visitors have arrived upon our cosmic shores. Eight U.S. Presidents have been aware of the facts.

It has been said that John F. Kennedy was assassinated because he was about to reveal the existence of a super intelligence group known as "MJ-12" who have had in their possession since the late 1940s wreckage of space craft as well as bodies of small, gray-colored extraterrestrials.

WARNING: READ THESE BOOKS AT YOUR OWN RISK

1 MJ-12 AND THE RIDDLE OF HANGAR 18 by Timothy Green Beckley

Now for the first time here are all the facts about this "Cosmic Watergate," released because the public has a right to know the truth. Here are suppressed CIA/FBI/State Department documents proving the U.S. possesses remains of UFOs and alien beings. Chapters include Inside the Flying Saucers—The Aztec Crash—The Downed Los Alamos Saucer—Inside Hangar 18—Did A UFO Crash In Central Park?—Alien Artifact Uncovered—Day A UFO Crashed Inside Russia—Alien Dies On Military Base—The Mysterious Professor Tells All—Night A UFO Came Crashing Down Over Ohio—Occupants Repair Disabled Craft—The Inside Story of "Majestic 12." Contains alleged photographs of badly burned aliens that crashed in Southwestern United States. Also "Photo Album" included. 210 pages—\$15.00.

2 THE PHILADELPHIA EXPERIMENT & OTHER UFO CONSPIRACIES by Brad & Sherry Stelger with Alfred Blelek

In 1943, the U.S. Navy secretly accomplished the teleportation of a warship from Philadelphia to a dock near Norfolk by successfully applying Einstein's Unified Field Theory. The experiment also caused the crew of the ship to become invisible, during which time they were sent to a time-space warp into another dimension. The majority of the crew continued to experience devastating "side effects" the rest of their lives, becoming invisible and catching on fire. For the first time a survivor of the experiment tells his personal story and how the project was actually the result of alien technology. The book also covers other classified "Black Projects" such as genetic cloning, age regression and progression and time travel—\$15.00.

3 COSMIC TOP SECRET— AMERICA'S SECRET UFO PROGRAM by William Hamilton (Introduction by John Lear)

At this very moment within the confines of a secret military base in Nevada the U.S. military is test flying craft from other worlds which they have obtained as the result of these objects crash landing on Earth. "There is," says the author, "proof that Top Secret, compartmentalized projects within the military-industrial complex are working on extremely advanced super-technology based on alien artifacts recovered—\$13.00.

4 SUBTERRANEAN WORLDS INSIDE EARTH by Timothy Green Beckley

This may be the biggest cover-up in history! Is the Earth hollow? Is our planet honeycombed with caverns inhabited by a race of super beings? Are the residents of this subsurface world friendly or do they have our domination in mind? Here is a Space Age mystery that is stranger than fiction. These are the strange and unexplainable legends of the "Wee People," the Dero of the Shaver Mystery, and the long-haired Atlantean giants as encountered by cave explorers and miners trapped beneath the surface. Learn of the disappearance of Col. Fawcett while in search of a hidden city in the jungle, and the existence of the "Jersey Devil" said to roam the shoreline on rain-soaked nights.—\$13.00

5 THE ULTIMATE DECEPTION by Commander X

The most sensational government conspiracy of our time is finally revealed to the world by a retired military officer. This book is dedicated to those few brave souls who have risked their lives to leak the story of the century to a public that has long been held in a state of "blissful ignorance."

This is a conspiracy that leads right up to the front gate of the White House, and involves the agreement forged between the military and a group of ETs referred to as the EBEs (short for Extraterrestrial Biological Entities). As part of this conspiracy, the government has literally "sold out" our citizens by extending to the EBEs the right to abduct humans and to plant monitoring devices in their brains, in exchange for technical and scientific data. "Our only hope for survival," says Commander X, "is a second group of benevolent ETs—most commonly referred to as the 'Nordic-types'—who believe in the universal law of 'non-interference.'"—\$15.00.

6 UNDERGROUND ALIEN BASES by Commander X

Aliens have established underground bases around the planet. An ancient tunnel system has existed on Earth since the time of Atlantis. Entrance ways can be found in many major cities. Some government and military officials have taken the side of the aliens. Here are bizarre stories about underground bases at Dulce, New Mexico; Groom Lake, Nevada; South and North Pole; Mt. Shasta, California, as well as in the Andes. Here also are the first-hand reports of individuals who have been abducted, and have survived genetic experiments in these locations—\$15.00.

7 THE UFO SILENCERS—MYSTERY OF THE MEN IN BLACK by Timothy Green Beckley

One by one they have warned witnesses to remain silent! Who are these strange beings who have become so much a part of unexplained aerial phenomena? Are they military agents? Do they represent a "Secret Government?" Or are they extraterrestrial entities themselves? Here are reports so bizarre that many of them defy any sort of Earthly explanation—\$13.00.

The raging debate fills the sacred halls of UFOlogy, as one of the most troubling theories to date is offered to explain the unknown origin of these elusive disks.

ET SAUCERS VS. EARTH MADE UFOS

by Timothy Green Beckley

Up till recently, you would have been hard-pressed to find anyone in the UFO community willing to go on record as attributing the appearance of flying saucers to a terrestrial origin. That is, perhaps, with the rare exception of a few "brave souls" who suggested that our "visitors" might be coming from somewhere within the bowels of our own planet (i.e., the Shaver Mystery/Hollow Earth theory).

Indeed—as far as I can recall—only Jim Moseley (former publisher of *Saucer News*) had suggested at one time or another that UFOs might be some form of by-product of a "psychological cold war" formulated by the CIA to fool both the Russians and Americans into thinking our most secret, high altitude, aircraft were really from another planet. His chief source of "inside information" was a rather mysterious "Dr. D" (later identified as White Plains, New York, chemical engineer Leon Davidson), who worked on a variety of classified government projects and held high U.S. security clearances for over a decade. In most recent times, Moseley "gave up" on this idea, realizing full well that it left far too many questions unanswered as to the phenomenon we find ourselves having to deal with on a global basis.

William Cooper—Renegade Whistleblower

It's difficult to say with certainty when the flight away from believing only in the interplanetary origin for all UFOs first began in earnest. Maybe former Naval Intelligence Officer William Cooper had something to do with it, when he back-tracked on some of his previously-made pronouncements.

Originally, Cooper had stated that he had seen highly classified documents while in the Navy about an agreement made between the military and a group of aliens. The "treaty" supposedly allowed for the exchange of humans (abductees) for extraterrestrial technology.

Little by little, however, Cooper began to feel that it had had the wool pulled down over his eyes and his mood began to change. At a previous conference sponsored by Inner Light Publications (much like the one planned for San Diego in March, 1993, at which Cooper and many of those mentioned in this article will speak) Cooper said he had discovered the existence of a mysterious "Secret Government" that was behind everything from the Kennedy Assassination, to international drug trafficking, MJ-12, Armageddon, the Men In Black, and a variety of other conspiracies that all tie in with this massive disinformation program.

The "bottom line," Cooper stated, was that this "Secret Government" was actually trying to foster the idea of a forthcoming alien invasion on the public, so that the nation's of the world would have to unite into a one-world government, known as the "New World Order." This global task force—naturally—would secretly be sponsored by this "Secret Government," whose identity was eventually revealed as the Illuminati, a virtual "invisible empire" that has been in existence behind the scenes for centuries, fostering wars and controlling the flow of money as well as virtually everything we are allowed to know on any given subject.

With these disclosures, all hell seemed to break loose in UFO-land, with every researcher worth their salt either calling Cooper a bald-faced liar, or taking a stand right alongside of him (and often adding their own two cents).

It seems like every time Cooper makes a public appearance, he has something new to add to his list of conspiracies. When he gives his next workshop starting at 8:00 PM on Monday, March 15th, at the Lafayette

Louis Touri sees "big things" in store for New York-based rock singer Paige, as he provides readings at the last Inner Light New Age/UFO gathering.

Hotel in San Diego, he will be speaking on THE SACRIFICED KING. The three hour (or longer) presentation will, he says, "prove once and for all that the Secret Societies, NOT out government, murdered President Kennedy as a sacrifice to the ancient god Baal in an outdoor temple." Cooper will also "explain the true meaning of the movie 2001 as a message of the Secret Societies to their followers, and will show a first-generation color copy of the Zapruder film with all the previously missing frames."

The "Anti-Gravity" World of Vladimir Terziski

With his stable background in Physics and his work as President of TRZ Consultants (a computer customizing firm), it's rather hard to understand why Vladimir Terziski would want to say the things that he does in public—even if they should turn out to be true, as they are about as highly controversial as you could possibly get and not be branded a "crackpot."

According to Terziski, the Nazi's were building flying saucers that took them to other planets even before the start of World War II. Being a Slav, Vladimir says he cannot but have the "utmost revulsion towards everything Hitler's racial and political philosophies stood for," and it is because of this revulsion he decided to look into the various "black technologies" developed by the Nazi, whom he now believes were secretly backed by the sinister Illuminati operating way behind the scenes.

Gary Schultz first became a believer in UFOs after viewing six craft flying about over Area 51, in the Nevada desert.

In his vast collection of photos and other documents, Terziski has many pictures and drawings of the various disk-shaped craft constructed by Nazi scientists that were powered by Schauburger turbines and Kohler tachyon magneto-gravitic drives (all based upon free energy or anti-gravity principles). Actually, Vladimir says that we've known all about anti-gravity for a long time and that the British may actually have landed on the Moon a century ago, and even the Vatican has a group of scientists who rocket off into space from South American bases from time to time.

Meanwhile, deep underground at Area 51's "Dream Lab" in the Nevada desert, a renegade branch of the CIA—protected by a private security SS-like police force, that the Illuminati supplies, is constructing their own fleet of "flying saucers" utilizing Hitler's forbidden technology. Supposedly, talk of alien cross-breeding and experiments on humans is really just a cover for the continuation of the Nazi genetic experimentation that took place in the concentration camps, sadly, not that many years ago.

No doubt, all eyes and ears will be riveted on Terziski when he presents his case at the Third Annual National New Age and "Truth About UFOs" Conference in San Diego (his workshop will be at 12:30 PM on Sunday, March 14).

Gary Schultz—Secret Saucer Bases

Gary Schultz is a Southern California-based businessman and scientist. He is the founder and director of Secret Saucer Base Expeditions and is the co-producer (with Norio Kayakawa) of the "Ultimate Need to Know Seminars." For the last several years, Schultz has been taking busloads of people as close as he can get to the entrance to Area 51 outside Rachel, Nevada. It was here that he first became a believer in UFOs, after observing six unknown craft flying around in the sky. To date, he and his loosely-knit group have had many additional sightings, usually on Wednesday nights, he says, because that has "become the heaviest day for the testing of UFOs out there."

Though Schultz tells his group to stay on public land while skywatch-

ing, this doesn't seem to deter the "dark forces," who nearly always seem to be lurking about. Numerous UFO observers have reportedly been harassed by the local police. In fact, I was pulled over while driving on the open highway as we approached the popular viewing site known as Mail Box Road. A trooper had noticed me swerving (to avoid hitting an animal on the road) and stopped me to see if I had been drinking. Of course, he had been following (almost tailgating) my rented car for over a mile, and seemed genuinely pissed that he could not make an arrest when I proved to be sober.

Others have not fared as well, it seems.

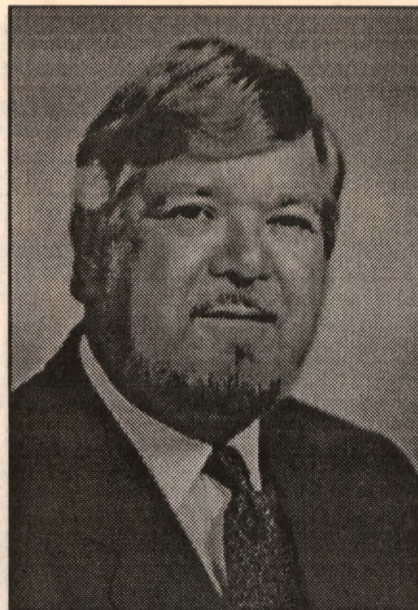

Gary Schultz says one UFO spotter was forced off the road by a military helicopter and others have had their video and still cameras confiscated by individuals driving unmarked vans and dressed in black, swat-like uniforms. Complaints have been filed with the District Attorney's office, but nothing appears to have been done about the charges.

In what he describes as a "deep, no-nonsense briefing," Schultz promises to reveal the latest in "DEEP BLACK" government projects, as well as the location of four additional aerospace facilities where "something alien is going on," when he speaks at the National New Age and "Truth About UFOs" Conference in San Diego. His is a "must be there" lecture and workshop.

John Lear—CIA Operative & Disinformation Agent?

Some researchers point to John Lear and proclaim him to be a "wolf in sheep's clothing." Because of his admitted background as an "employee" of the U.S. government who has flown covert missions for years, these same individuals see the ace flier (he holds more Federal Aviation Administration awards than any other pilot) as being the likely source of a good deal of misinformation being slung back and forth in the UFO field.

For all intents and purposes, Lear's entrance into UFOlogy began when an old Vietnam war buddy told him about the landing of a flying saucer 70 miles northeast of London in the Rendlesham Forest, adjacent to Woodbridge and Bentwaters Air force Bases. Supposedly, actual contact was made between the alien occupants of the ship and high-ranking

Minister and private investigator, Dr. Frank E. Stranges, says he met a space being inside the Pentagon, who had no fingerprints and could read his thoughts.

speak at a limited number of conferences, because he has come to realize that the government doesn't consider him or most other UFOlogists to be a threat to their wanting to keep all this information under wraps. Commenting on Lear, one Bush Administration intelligence officer said, "The question is, why would Lear, who has everything to lose and nothing to gain, continue to lecture about ultra-classified information that nobody, but nobody is going to believe anyway?"

officials at the base (now documented in the book From Out of the Blue by Jenny Randles, as published by Inner Light and currently available for \$18.50, including First Class postage).

By developing his own "well-connected sources," Lear gleaned some fairly astounding facts, including the "existence of underground bases of enormous size and number; highly advanced alien life forms walking on Earth; U.S. Moon and Mars bases already in existence, and the reality of human mutilations. Originally, Lear thought the public had a right to know what was going on, but now has changed his tune, realizing "the public possibly couldn't handle the whole truth." He continues to

Mary Wunder maintains she has had several contacts with ETs, who provided her with a series of symbols meant to give a message to humankind.

Lear says he will "come clean" about such matters when he takes to the podium in San Diego to give a lecture and workshop as part of the March 12-13 New Age/UFO Conference to be held at the Lafayette Hotel.

William Hamilton & Miles Elledge—Fact Finders

The author of "Cosmic Top Secret (Inner Light Publications) has long been looking for the truth about UFOs. William Hamilton acknowledges that there are legitimate UFOs flying in from space, but he also is of the opinion that our own government is testing some pretty "peculiar" aircraft that can fly faster and higher than anything they are willing to admit currently exists.

"A new twist on explaining UFO sightings has emerged in recent years," notes Hamilton who will present his findings at a lecture and workshop in San Diego along with the other researchers mentioned in this article.

"The new twist is: Advanced Technology Aircraft. Based on the public's increased awareness of 'black programs,' such as the development of the B-2 Stealth Bomber, and on rumors of back-engineering alien technology, some UFO sightings in recent years are explained away as products of our own secret research and development."

Hamilton himself professes to have seen some "mighty strange things" while researching the subject of interplanetary versus Earth-made UFOs. "In the deserts of Southern California, Secret Aerospace research facilities have some very strange-looking aeroforms mounted on stingers (pylons) for electromagnetic and radar testing. These scale-model aeroforms do not have airfoils or wings of any kind. Could they be," asks Bill, "some form of secret anti-gravity device?"

Not one to be left out, Miles Elledge (who supervised the development and design of computer robotics and office support systems) says he can confirm that the government has tested a variety of UFO-type propulsion systems and that several forms of these disk-shaped devices actually have patents filed on them. Having researched the subject of alternative energy and anti-gravity, he is able to simplify such processes and explain their method of operation in simplified terms. He concludes that it is actually possible to create "your own 'spaceship' right here on Earth," and will explain how at his talk at the upcoming conference in San Diego.

what they consider to be the truth about extraterrestrials. Penny Harper is one such individual who maintains that space people are very real and that they visit here in spaceships and have even taken mere Earthlings for rides.

Penny says she has been "beamed up" more than 25 times by her alien friends. During her first experience of this type, the van she was driving in was actually picked up with her still behind the wheel. During one encounter, she was placed in a dark room and a machine was placed over her head that looked like an old beauty shop hair dryer. "My guide, who has been with me during each of my encounters, did some 'restructuring' of my mind, working on a time lock within my mind and getting it ready to activate at a predetermined time." Though she did not give express permission for such experimentation, Penny feels it may be a past life agreement that is being held to in this life of hers.

One of the interesting things Penny has noted is that the aliens can take on a variety of shapes and sizes. "They are capable of choosing to look like a human or can appear as a seven foot tall grasshopper with large wrap-around black eyes." The reason being, "so that humans wouldn't become hung-up on them."

Louis Turi—Destiny Came From Up Above

Before his encounter in southern France, enroute to a discotheque, Louis Turi was one of the most popular recording artists in Europe. Following his experience, in which his Mercedes suddenly stalled and became bathed in intense white light, Louis gave up his fast-paced lifestyle to become a more deeply concerned human being. According to published accounts, the object came down so close to the road, that Turi felt that all he had to do was raise his arm up in order to touch the craft (see cover illustration of car in highway). Since that day of "reckoning," he nurtured a growing interest in psychic phenomena and astrology; in particular, "becoming overwhelmed with the desire to draw astrological signs and figures on the walls and doors of my apartment."

When the landlord came to collect the rent, his face turned white upon seeing the strange—to him at least—symbols that "decorated" his place. "He was horrified," Louis recalls, "and when he asked what they meant, I intuitively started to receive his entire life through the divine message of his stars outlined in the natural Zodiac on the wall. He was astounded by the uncanny accuracy of the unexpected reading and was grateful for the information and guidance I had given him. The encounters and message from the aliens had become clear. I was given the reason I had been visited—including the time as a youth when they came next to my bed—and told what my mission was to be."

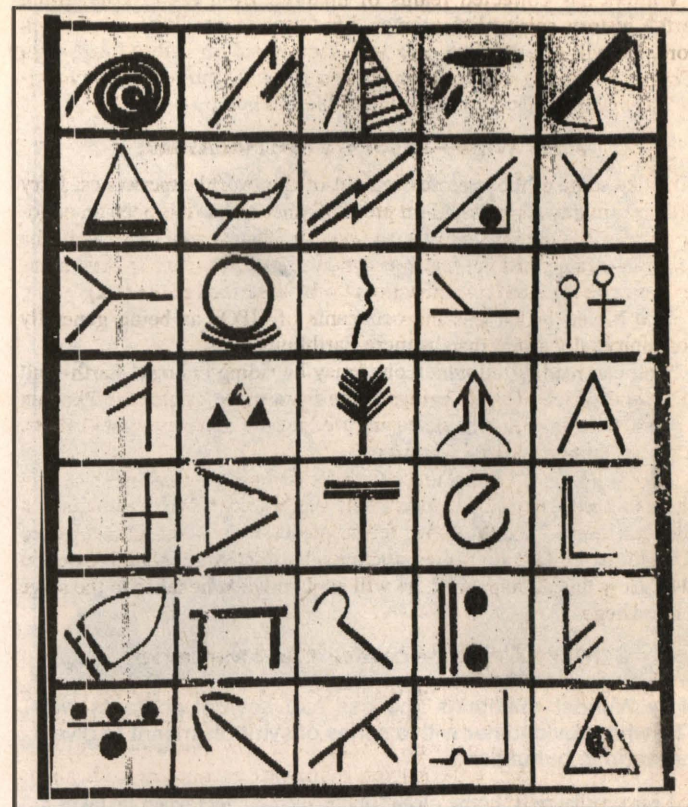

Over the last couple of years, as Louis has become even more accurate in his personal predictions for individuals, he has also become increasingly uncanny at forecasting such things as earthquakes, political crises, as well as other global events of major consequence. From what he has gathered, Louis is convinced that somehow his extraterrestrial friends are behind a great deal of his cosmic understanding. He has now had several "missing time" episodes and has met aliens face-to-face in the strangest of places that he has agreed to tell about, as part of his lecture at the New Age/UFO Conference in San Diego. He will also be available for private readings and will hold a workshop, at which time much more of this process will be explained.

Dr. Stranges & Commander Thor

Dr. Stranges has been the Master of Ceremonies at our conferences almost since the beginning. He is perhaps the most informative and, at the same time, entertaining speakers in the field. Head of the International Evangelism Crusades, Stranges is no "hellfire and damnation" minister, but has long been interested in the various facets of the UFO phenomenon, starting back while he was attending Bible College. While working as a private investigator, Stranges maintains that he was invited inside the Pentagon during December, 1959, where he was introduced to an individual who HAD NO FINGERPRINTS, could read minds, and wore a garment that could not be cut, burned or otherwise destroyed.

The alien identified himself simply as "Commander Val Thor" and claimed that, while on Earth, he was using his influence to speak with "men in authority," but would not use force to change our troubled world. According to Thor, who still resides here on Earth, "there are 75 of us from other worlds working among you, constantly coming and going."

To this day, Dr. Stranges, author of the book, *Stranger at the Penta-*

One of the symbols given to her alien contacts by Mary Wunder.

gon, is said to be in regular contact with his space commander friend, and often receives advice and assistance when it is of an important nature. Through his seminars—both live and on tape—he is able to communicate the spaceman's thinking to others who have an equal interest in the betterment of our world.

Glen Steckling—Alien Bases on the Moon

Glenn Steckling's father, pilot and amateur astronomer, Fred Steckling, believed quite strongly that our planet was being visited for many centuries by extraterrestrials. Before his passing, Fred wrote a very influential book, *Alien Bases on the Moon*, which was an accumulation of 30 years of research in which he proved, through the use of NASA and civilian photos, that alien activity abounded around the lunar atmosphere and on the surface.

Today, Glenn continues on his dad's work, offering the supporting evidence for the existence of a substantial lunar atmosphere, including NASA pictures depicting clouds, vegetation and a higher Lunar gravitation field than is generally believed to exist. These findings, combined with reports of dramatic geological activity seriously questions years of preconceived notions and erroneous ideas regarding the lifelessness of our neighboring sphere.

"More recently, we have expanded the research we've been doing to include the famous Martian Face and Pyramid phenomenon photographed by NASA's Viking probe," notes Glenn, who also took over the directorship of the George Adamski Foundation, of which his dad had been director for many years.

"From all the examination of historical records we have accumulated, it looks like we have never really been alone," concludes the Vista, California resident, who will be going into detail concerning his discoveries in San Diego, come March 12th through 15th.

Randolph Winters & The Billy Meier Contacts

According to Randolph Winters, his close friend and associate, Swiss contactee Billy Meier continues to pass onto Earthlings information he says he has received in conversation with human ETs from the Pleiades.

"Unlike some contactees," Randolph, who has spent many days in Billy's farmhouse, "Meier has a dramatic message concerning how we can create a better future based on clear wisdom and thought, as presented to him by these peace-loving people from far away."

Winters has collected reams of material from Meier concerning Earth's history, spirituality, science, life forms in our Galaxy and much more. He will present them in a workshop based on Billy Meier's own "Contact Notes," as well as show videos and still pictures of the beautiful "beamships" that have landed near Meier's home.

Jerry Wills—Proof We Are Not Alone!

Unlike some of those professing out-of-this-world experiences, Jerry Wills is proud to carry with him proof of what he has been an ongoing series of visitations from space people. This "proof" comes in the form of a strange artifact that was actually handed to him in person under a strange series of circumstances (to be described in his talk).

Like Meier, Wills sees the occupants of UFOs as being generally more spiritually aware than us mere Earthlings.

"You can readily tell which ones may be riding onboard Earth-built UFOs and which of these beings come from space," notes the Phoenix resident, who has become increasingly well known at our previous events, for his insight and cosmic knowledge.

"The people that I am in touch with are definitely—most positively—not from here. They just couldn't be!" And besides, Wills actually—at least in a sense—should know, for he professes to have, himself, been onboard the UFO that crashed just outside of Roswell, New Mexico in 1947. How this all happened, he will explain when he takes to the stage in San Diego.

Mary Wunder—Symbols and Spacemen

"I know space beings do exist and they come from other worlds and other dimensions. I have proof of it. Aliens are real to me. And, they are as real to me as the people who live on Earth. The aliens are here!" declares Mary Wunder, experiencing numerous encounters with aliens who have befriended her.

Mary's contacts have included the beaming of telepathic symbols to her. "On Friday, October 4, 1991, I began to receive symbols in my mind's eye. Of course I was compelled to set them down on paper... The symbols appeared as though they were on a computer screen. They appeared five columns wide and rotated upward, like the standard operation of a computer. The screen was rotating so quickly upward that I shouted out in frustration, 'I can't read it that fast!' Immediately, with those words expressed, my mind began pulling out at random from any one of the five columns, one symbol at a time," for a total of 38 symbols.

To Mary's way of thinking, they resembled a "poster" or a "newsletter," with important references and meaning. They were, in essence, a series of predictions for humankind concerning great changes and events to come. Some of the prophecies read:

"Tidal waves will be one of the disasters. The mountains in the far West and in the Northwest will tumble.

...

"Life is endless—infinite souls. The soul does not die. The pyramid has seven powers and is known to the space beings. Aliens are sending carrier crafts to our wobbling earth. Their crafts create flashes of light—like lightning, down upon earth. People look at people when they see the lights."

...

"The spacecrafts will begin to come before the mountains tumble. Their flight plan is aimed at the people and away from the collapse. The people will be taken to a secured shelter. There they will live in harmony and their faith will be turned back around. They will grow together in the secured structures."

...

"The earth will become darkened, causing it to become unbalanced."

...

"Structures will fall. Small carrier crafts will be linked up to our wobbling planet."

...

Mary Wunder's book, *Messages From the Stars*, is being published by Horus House Press, and will contain more of her symbols and predictions, when available, to coincide with her appearance at the San Diego New Age/UFO Conference sponsored by this publication.

AN OPEN LETTER TO ALL CITIZENS FROM

COMMANDER X

A FORMER MILITARY INTELLIGENCE OPERATIVE EXPOSES THE U.S. GOVERNMENT'S TOP SECRET COVER-UP OF ONE OF THE MOST IMPORTANT ALTERNATIVE SCIENTIFIC DISCOVERIES OF ALL TIME!

Dear Friend:

Currently, there is a growing belief among even the loyalist of Americans that the public is NOT being told the truth about many important subjects that potentially touch us all—from the release of the POWs to the Iran-Contra affair. Well this, my dear friend, only touches the tip of the iceberg as to what we are being repeatedly lied to about.

As a former military intelligence operative with an Above Top Secret clearance, I read many documents and heard first-hand about many matters that would make your hair curl. In my two previous books, *The Ultimate Deception* and *Underground Alien Bases*, I described in full detail how the military some years ago made a secret treaty with a group of extraterrestrials who are now living on this planet and are actually using humans as guinea pigs in a series of bizarre experiments taking place deep underground at various locations in the southwest.

Now I have decided to "spill the beans" concerning an even more vital matter that is being kept hidden from the American people and from the rest of humankind...a matter that would put a permanent halt to the recession and the *hard times* that have come to affect us all because of high taxes and the control of selected goods, services, and products that are being priced out of our reach by corporate greed.

GHASTLY SECRETS

Before I go on, allow me to let you in on a few ghastly secrets that I am sure will upset you as much as these revelations did me, when I first discovered that:

- The Persian Gulf conflict never had to take place!
- There never was a need to lose one, single life over a war that was essentially fought over the price of oil!
- Furthermore, the truth of the matter is that the United States military now has at its disposal—and has had for quite a number of years—disc-shaped or circular aircraft that are capable of flying three times higher and faster than any jet fighter that is "officially" known to the public! This same aircraft can virtually dematerialize and rematerialize elsewhere in a split second, as well as hover mere inches above the ground, thus frightening the hell out of any real or potential enemy.

Perhaps not so surprisingly, this very same aircraft utilizes a form of energy that is, to our current way of thinking, "highly revolutionary,"

yet it is so economical and readily available that the "forces that be" fear each day that it may tilt the "balance of power" out of their hands and radically change society overnight.

ALTERNATIVE FORM OF ENERGY

By now, you may be curious to know what form this energy takes and where it may be obtained from. You may also wonder why you have not heard of this startling disclosure before now. The answers to such questions are very simple:

- The energy is FREE ENERGY!
- It is available all around you—from the very air itself!
- And the reason you have not been told anything about it is because there is a massive conspiracy afoot on the part of the military-industrial complex to keep its existence a closely-guarded secret from the "masses of asses," who, it is felt, should remain in total ignorance so that the "corporate interests" can continue to rake in huge profits at the sake of life and limb—mainly ours!

NIKOLA TESLA—GRAND HUMANITARIAN

Over a century ago, one of the greatest "free thinkers" of all time arrived upon our cosmic shores in order to shape our technical and spiritual destiny.

Nikola Tesla came from another place to alert the world to impending danger (World Wars I and II), while at the same time offering "solutions" to our problems and alternatives by which to greatly enhance our lives.

Holder of over a thousand patents for many marvelous scientific inventions, Tesla turned down millions of dollars in royalties as well as the Nobel Prize because he did not believe "big business" and "corporate giants" should control that which readily belongs to all of humanity.

Because of his beliefs, Tesla was repeatedly harassed and his life threatened. A true *cosmic being*, Tesla was dedicated to the advancement of all, regardless of race, creed or religion. He was, in essence, the living embodiment of peace and took the White Dove as his personal symbol. He lived his life to the fullest, yet died in virtual poverty when he could have been one of the richest persons who ever lived.

BREAKING FREE OF GRAVITY

Luckily, Tesla's amazing discoveries did not die with him, but much of what he learned was placed in the hands of students whom

he put much faith in, because of their spirituality, as well as their scientific capabilities (Tesla shunned all contact with big business and the corporate world, though he believed in free enterprise).

In my just-released, new book entitled **NIKOLA TESLA—FREE ENERGY AND THE WHITE DOVE**, you will learn first-hand of the work of such modern-day inventors as Otis T. Carr, Arthur H. Matthews, and Howard Menger, who have perfected alternative methods of propulsion that soon will place men and women on Mars and other planets, safely and economically.

Indeed, as these very words are being written, the very core of Newton's Laws of Gravity are being ripped apart, as new and more exciting laws of science are being written after nearly four centuries. You will, for example, learn about the incredible work being done at Thoku University in Sendai, Japan, where researchers have stumbled upon a way to defy gravity under scientific conditions. You will also learn of the incredible secret research conducted a number of years ago by individuals such as T. Townsend Brown and John Searl, who actually built aerial devices that flew through the sky using revolutionary systems of propulsion. Yet, both gentlemen have mysteriously disappeared and much of their actual research has either been stolen or burned, because of the amazing truth about FREE ENERGY that they discovered.

ALTERNATIVE FORM OF ENERGY

If you were tuned in to Geraldo Rivera recently you might have seen an expose of Area 51, a Top Secret military installation located just short of 150 miles north-northwest of Las Vegas. For it is here at this vast 38,500 acre military complex—watched over most closely by Swat-like teams of private, para-military security guards hired from an outside agency in total defiance of all known Constitutional laws—that something very strange has been happening on a regular basis.

According to the testimony of what may now amount to hundreds of loyal American eyewitnesses who believe in freedom of speech, the military—or *someone*—is test flying aircraft so unusual in design and behavior that they disobey completely both the laws of aerodynamics and the law of gravity. From many observers have come reports of sudden acceleration, deceleration, zigzagging motions, and 90 degree turns, indicating that these craft are dependent upon an advanced form of technology with control over gravity.

More important than the ground-level reports of sincere observers, however, are the claims of those working inside Area 51, who say that their lives were threatened when they found out what was really going on at this locale.

The first to go public was theoretical physicist Robert Lizar, who says that he was blindfolded every day upon entering the base and taken in a bus with blacked out windows to an area seven levels underground. Here he was put to work on several different craft of extraterrestrial origin, which had either been captured by the government when they crash landed, or actually given to Uncle Sam by aliens looking for official consent to abduct humans in exchange for their technology. Later, when it was learned by the military—who placed a tap on his phone—that Lazar was scared for his life and ready to talk, the brass had him drugged and hypnotized so that he would not remember what he had seen or had been asked to work on.

According to Lazar—and here is where his story gets somewhat wild—the aliens at some point actually took control of certain areas of the base (presumably the lower levels—levels five, six and seven) by using force, going so far as to eradicate some scientists who had been cooperating with them. Lazar believes that he was hired by the military to replace one of those scientists who had been

"removed" from the operation. Lazar revealed in a series of interviews broadcast over Las Vegas radio and TV that the vehicles being flown over Area 51 (mostly at night, shortly before dawn) utilize a previously unknown principle of distorting space and time, "using gravity as a lens" with the power source being an anti-matter reactor powered by something the aliens brought with them called "Element 115."

From a vantage spot known as a "Mail Box Road," near the town of Rachel, Nevada, a number of different types of craft have been seen by those who do not mind waiting into the wee hours and are patient enough to come to the area over and over until they, too, make an observation. Even NBC TV got into the act not so long ago when they took a news team to the area and managed to capture on video the flight of something that they acknowledged appeared to defy gravity. They identified it as being the test of an aircraft that comes under the category of a "black project," in that the military does not have to account for the project in their annual budget (billions of dollars being covered up in this manner).

And if you think such rumors that are afloat regarding Area 51 are bizarre, you haven't heard anything yet, partner, as we explore through the pages of this book the amazing life of Nikola Tesla—a man from another world—and the legacy that he left for us.

Together we will discover much that is being kept secret from us, not for our own protection like some might claim, but because our lives would be better and easier if the truth about anti-gravity and UFOs were made known. Tesla knew through his heightened sixth sense that the upcoming years before the turn of the century could either be full of peace and prosperity for each one of us, or, if the Secret Government is victorious in its attempt to keep us under their thumb, there will be unending war, suffering, hunger and poverty, because this is the way in which they maintain their control over the world's population. It was for this very reason that Nikola Tesla chose the White Dove as his personal symbol of encouragement, representing freedom and personal dignity for us all. It is this hope for a better world in the stormy years just ahead that I want to convey in *Nikola Tesla: Free Energy and The White Dove*.

The Incredible Revelations of Dr. Kueppers

COME MEET HIS DAUGHTER IN SAN DIEGO, MARCH 12-15 AT THE NATIONAL NEW AGE & TRUTH ABOUT UFOS CONFERENCE.

by Helga Morrow

Editor's Note: The following is a highly-abbreviated account of Helga Morrow's recollections of her late father, Dr. Fred A. Kueppers, a German-born engineer who defected to the U.S. during World War II. Many of his amazing theories, as outlined here, were later perfect but kept from the American public, and are only now being perfected as he predicted they eventually would. Helga—a highly accredited sensitive who resides in Sedona, Arizona—will tell her full story at the National New Age & "Truth About UFOs" Conference to be held in San Diego, March 12-15, 1993. Eventually, she will publish a book about her father's work, as well as her own experiences as a natural psychic and channel, having had out-of-body experiences and UFO contacts.

• • •

I have learned from various sources that my father was one of the scientists who worked on the Philadelphia Experiment; had invented the timing device for the A-bomb; had been chosen by the bomb scientists to represent them to Harry Truman, asking him not to drop the bomb; had invented the mathematical formula that brought the astronauts back; had designed the miniaturized electrical system of Sputnik, the first space launching; had worked on Project Blue Book/Black Book, UFOs; had initiated the use of aluminum wiring to replace the heavier wiring in World War II planes; had worked with mind warfare, using psychics to communicate with astronauts in case communication systems failed; and had trained extraterrestrials to fit into human society.

My head spun; in it wheels were turning, and a thousand things began to make sense. Suddenly the things my father had told me in my childhood and youth snapped into place. It was as if nineteen years after I attended my father's funeral, I began to know him for the first time as only a few others knew him—a man who, for obvious reasons, could never be mentioned in public records, but who had clearly deserved such recognition for the valuable service he had given the nation. My mind began to go back to my earliest remembrances...

I was born five years after my parents arrived in America. My father guided me from before the time I was in first grade to accept my visions and messages from God as part of my life, and never to doubt for a minute that I was put here on Earth for a purpose. He himself was a Spiritualist, though I was sent to a Catholic school.

When I was in the second or third grade, I watched him hang up an award from RCA in his room. I asked, "Why did you get this award, Daddy?" He told me it was too lengthy to go into. I said, "Try me!" and he did. He said it was an award for an experiment in time, and then proceeded to put two ashtrays on his bed, and through simple gestures and explanations, show how two objects could transpire in time and return the same way. Then he took me into the cellar, where he put some steel shavings in a cigar box with a large U-shaped magnet taped underneath. He gently tapped the steel shavings, and to my amazement, two distinct series of concentric circles gradually appeared! He then simplified this by saying that if one could transpire these circles, one could change time. He said that alien spacecraft were partly moved by "reverse magnetism." He showed me how to get this effect by holding two opposite magnets.

I never forgot this lesson. And this was before anyone really talked about flying saucers. I was Daddy's confidante. I never discussed this information with anyone; he had sworn me to secrecy.

My father was not home much—only several times a year. He was completely focused on his work, so normal family life was difficult for him.

My parents had been very wealthy in Germany. My father's gas and electric company wired a large part of Germany, certainly all the castles, giving him good connections with influential people, such as the Von Hohenlohes. Those connections helped him to escape from Germany on the Bremen in April,

1930, at a time when the Goebbels, failing to force my father to join up with the war machine, was about to imprison him. They had to flee on two week's notice, leaving everything behind. They apparently were also aided by American intelligence.

My parents had a visa to Omaha, Nebraska, and were sponsored by an old aunt. My father was introduced to Glenn L. Martin, founder of the Glenn L. Martin Co. Martin was originally in Baltimore and specialized in building B-29 bombers during World War II as well as other government projects.

Daddy was a popular innovator in many fields of science and technology. All his patents became the property of either the company that employed him or the U.S. Government.

The winter of 1961 before he died (February 12, 1962, Lincoln's birthday), my father confided many things to me. He told me that what he was about to tell me was bizarre, unbelievable and might sound absolutely crazy. I was 27 at the time, and thought he had gone off the deep-end (my mother had always thought so). Daddy assured me that by the time I reached 55 or so, all these bizarre statements that he was about to make, as well as everything he had ever explained to me when I was a child, would come back to me and make sense.

He told me that he had three months to live. "They" had given him three months to conclude his personal affairs, he said. I asked, "Who are they?" He said I wouldn't understand. So I realized that I was taking my last walk with him through Guilford. He turned around to see if he was being followed, as always, aware of this intrusion. He confided that he had not only been on the moon but *inside* it, and that he had both spoken to and trained real extraterrestrials who look like us to blend into human society. He had been in spaceships and had traveled in space.

He told me of the riots where we would kill or be killed in a period of racial intolerance that would occur around 1966—which is now history. He told me that red-baiting propaganda was a lie to keep humanity occupied with worry over "fighting communism." And that in reality the two nations were great friends; Russian scientists got along well with their American counterparts and worked amiably together. The Russian "threat" was nothing but B.S. and a distraction for the public.

In the meantime, there were alien bases all over the world and on the

moon. He said that whoever controls the moon can target anyplace on Earth; no place would be safe. Therefore, Russians and Americans must remain friends or eliminate each other. He told me he had worked with Tesla, Einstein, Von Braun, Von Neumann and many others.

My father broke down and cried when I visited him that Christmas. He said, "If you only knew the real truth!" But as long as I didn't I was safe, he said. He seemed a frightened man alone with his thoughts, afraid to speak out, trusting no one. He rarely spoke on the phone (our phone had always been tapped) and always thought he was being followed.

My father died in the hospital in the arms of a nun, we were told. When mother wanted to send flowers and candy to this unknown nun, she was told that there had been no nun in his room (though we had seen her) at the time of his fatal heart attack. She couldn't be traced. At his funeral, I saw two Secret Service men at his coffin (wearing the obvious trench coats). I asked if they were from the Martin Company. They look at each other strangely, and comforted me by saying yes. I felt they were lying, but it gave them an out. Several other trench-coated men came on the final day of the funeral. Since Daddy's only associates were German doctorates, any English-speaking Americans stuck out like a sore thumb!

There was something strange about the body in the coffin. I always remember my father's hairy arms and hands. But there was *no hair on those hands!* His face felt like cold stone, and it had so much makeup that it looked like wax. Was it really my father in the coffin? If so, why had his grave "disappeared" when I looked for it in the family plot in 1985—a plot that dated back hundreds of years? There was no trace that it had ever existed; there were no grave records!

And then on May 30, 1962, several months later, he materialized before me and told me he was not dead but only in "another dimension in time!" I felt his suit, smelled his Mollé shaving cream—and his weight pushed down the mattress on my daybed. He was wearing his usual conservative grey suit; I even felt the material as I touched his knee. He told me to continue his work, but not to call on him unless absolutely necessary, as appearing to me was painful. He said that he would make himself known to me "at the crossroads of my life" to help me (and he has kept his promise).

UFOS AND THE SPACE BROTHERS WANT YOU TO SURVIVE DOOMSDAY

Psychics, spiritual leaders, scientists and UFO contactees all agree that we are living in what has been called the END TIMES.

- The foundation of our civilization is about to crumble.
- The physical world as we know it is going to be destroyed.
- Psychic spiritual and "other-worldly" forces are about to take over!

THE TRUTH CAN NOW BE TOLD

An in depth study recently conducted by a highly qualified UFO researcher indicates drastic changes in our daily life, as well as in the shape and construction of our very planet, are imminent. This information has been channeled to at least 20 of the most highly respected contactees from more advanced beings who reside on other planets and in other dimensions. Unanimously, they agree that a global catastrophe will soon sweep over our nation as well as the rest of the world.

According to the SPACE BROTHERS whom they are in contact with time is *running out*. We are being told the Earth is rapidly entering the twelfth—AND FINAL!—hour for humankind. All indications are that a "time bomb of destruction" is about to go off ridding the planet of civilization as we have come to accept it. The Book of Revelations will be tomorrow's headlines as Armageddon engulfs the globe.

There are those who say a THIRD WORLD WAR is on the immediate horizon, that an ecological imbalance is now taking place, and a shifting of the North and South Poles is due, which could tip the earth out of its present orbit and send it hurtling toward the sun.

YOU CAN BE SAVED!

While utter chaos will take place all around us, all of those who have received this highly advanced, truly prophetic warning have said that the "Chosen Ones" who "are ready" will be saved and taken off this planet just in the nick of time.

Our special, fully illustrated report, a 50,000 word book titled **PSYCHIC & UFO REVELATIONS IN THE LAST DAYS**, is the most comprehensive volume ever put together on the subject. There is no other work like it as this book has been inspired from above. These are some of the important things you will learn—things you will NEED to know in order to make the transition from this physical dimension into a higher realm.

- Specific data on land changes. Find out which States will be geographically altered and the "safe" places to go to be out of immediate danger.

- A time table indicating when these events will begin to take place and the order in which they will occur.

- Exact "signs" and "wonders" to watch for which will indicate that only months are left.

WHAT LIES
AHEAD?

DAYS OF DARKNESS

MASS UFO LANDINGS

MILLIONS VANISH

END OF MONEY SYSTEM

- What material objects—"valuables"—you will need in order to survive, and where to obtain them.
- The day you will vanish from this planet—a mass evacuation by space ship will take place in which hundreds of flying saucers will come down out of the sky and "lift off" the worthy. What are your chances of being saved, and what can you do to make certain you are among "the chosen."

Some of those who have contributed to this valuable reference include *New Agers Brad and Francie Steiger; Space Channel Rober Short; the spiritual group Mark Age; UFO communicator Jane Allyson; Parapsychologist Warren Freiberg; and the space being known as Ashtar.*

If you have even a slight interest in UFOs you will want to order this book. This is not just another title filled with wild stories, but this volume actually presents useful data which could change your life and help you to survive DOOMSDAY!

WILL YOU BE ALIVE IN 1995?

CALL UPON YOUR GUARDIAN ANGEL FOR GUIDANCE AND PROTECTION

Psalms 90:11-13 states: "The Lord hath given his angels charge over thee, to keep thee in all thy ways."

Evangelist Billy Graham tells us: "When Christians die, an angel will be there to comfort us, to give us peace and joy even at that most critical hour, and to usher us into the presence of God, where we shall dwell with the Lord forever..."

Jesus himself revealed the wonderful truth that the faithful each have a guardian angel to attend to them throughout their life: "Behold! I will send my angel, who shall go forth before thee, and keep thee in thy

journey, and bring thee into the place that I have prepared."

Now for the FIRST TIME, you can learn all there is to know about God's special helpers—why angels were created; what their purpose in the Lord's scheme of things really is; and most important of all, how you can call upon them directly for guidance and protection, in order to make your own life more peaceful and fruitful.

Here's a sample of what you can expect to read in an amazing new book just released titled **ANGELS OF THE LORD**:

ANGELS WALK AMONGST US!

It may come as a shock to many, but according to evidence, we are often confronted by angels, but do not know it. Yes, angels are visible quite often, only they don't always appear to us as spiritual beings with wings, but rather as men, and even as strangers. They come when they are most needed. You may even pass an angel on the street who is bent on doing some good for someone that can't be accomplished in his invisible state.

NINE SPECIFIC WAYS OUR PERSONAL ANGEL PROTECTS US

Biblical scholars insist that angels do more than follow us about. It is said that they have a special mission that they must carry out. Among other things they must protect our spirituality; defend us from the seduction of Satan; shield us from sudden dangers; help in the saving of our soul; pray for us; assist us in praising God and help when it is time for us to "cross over." Each of the nine ways is described in detail so you will know what to expect from your personal angel and what you must do in return.

HIERARCHY OF ANGELS

Generally, it is not known that there is an actual organization of angels. The divisions include: Archangels, Seraphim, Cherubim, Principalities, Authorities, Powers, Thrones, Might and Dominion. Find out how these various angels are ranked and what their individual duties consist of.

DOCUMENTED CASES OF PEOPLE HELPED BY THEIR GUARDIAN ANGEL

Many startling, modern day case histories are written about. For example: • The New York woman whose guardian angel led her to a job when she was totally destitute. • The "Angel of Mercy" who prevented the killing of Chinese citizens by the Japanese during World War II. • The battalion of angels who fought it out with the enemy in the skies over Europe as testified to by Lord Hugh Dowding. • The band of angels that prevented dozens of GIs from freezing in Korea.

ROLE OF ANGELS IN HISTORY

• George Washington had a vision in which an angel appeared to him and foretold the future history of the United States. • The famous flying ace, Charles Lindberg, claimed that his guardian angel was with him in the cockpit of the Spirit of St. Louis as he crossed the Atlantic. • Sainthood Padre Pio, the stigmatic priest, frequently carried on conversations with not only his guardian angel, but the guardian angels of others. • St. Benedict claims that angels actually joined the holy monks in song. • St. Nicholas was permitted to hear his guardian angel and other angels for the last six months of his life. • St. Frances often read at night by the light given off by the glowing hair of her guardian angel. • There is even evidence that the writing of the Constitution was done with the help of an angel.

UFOS OR ANGELS?

Some experts now believe that the strange objects observed in the sky may actually be angels and not extraterrestrial craft. The fact that UFOs do not show up on radar screens is significant, since angels are not usually of flesh and blood, and therefore would not register on even our most advanced technical equipment. Scriptures tend to verify this theory.

LANGUAGE OF ANGELS AND HOW THEY TRAVEL

We are told that angels have a language all their own which we may possibly learn to speak. Also, angels can travel thousands of miles in the twinkling of an eye utilizing a method which science has only begun to dream of.

WAR WITH SATAN

Not all angels are good. The Bible tells us that Satan was once an angel and that he was thrown out of heaven. One third of all angels could be demons and we are warned that the devil is out to take over the world and capture our very souls. Learn of the tools which Satan uses to trick us, and how we can prevent being possessed. Discover why baptism is important in this age old war, and what it means to follow the "Great White Light."

SACRED MAGIC

NOT OF THE DEVIL — BASED ON GOD'S WORD

THE SACRED MAGIC

As a youngster, William Alexander Oribello constantly asked questions about the mysteries of life and the Almighty Power of God. His parents and the family's minister answered his probing questions the best they could, but their answers were lacking until one day when little William was touched by the thunderous power of the Lord. A beautiful light surrounded him and he was given a divine message that he had been selected to receive and teach the most powerful lost secrets of THE SACRED MAGIC to all the world at the dawn of the GOLDEN AGE.

THE SACRED MAGIC is the essence of the mystic teachings given by the Magi and the Masters of Wisdom to Rev. Oribello. To determine if you have been so CHOSEN to receive this hidden knowledge, answer the following questions truthfully to yourself:

() Do I want peace, joy, love and prosperity to fill my life completely?

() Do I desire to know and work with the unseen forces of the universe for dynamic success in all that I do?

() Do I desire to help others overcome their problems through and by the great magical power I gain?

() Do I want total control of all situations which manifest in my life?

() Do I possess an unrelenting need to know the answers to the mysteries of life, death, and the workings of the universe, both quickly and easily?

If you can answer "YES" to a majority of these questions then this is obviously the path for you...Here is a mere sample of what you can expect to learn from Rev. Oribello's SACRED MAGIC manuscript:

Researcher Rosemary Ellen Guiley to explain why you don't have to visit a circle to have a "circular experience," at the National New Age & "Truth About UFOs" Conference

Crop Circles, UFOs & High Strangeness

They seem to be popping up just about everywhere you turn these days....

- Part of a multi-million dollar TV ad campaign for such products as Miller Light Beer, and Reeses Candy;
- An illustration on the cover of a trendy financial magazine aimed at wealthy investors;
- Not to mention articles about their sociological impact and scientific importance in such prestigious publications as *The Wall Street Journal*, the *New York Times*, and the quite conservative monthly known as *Science News*.

The mysterious Crop Circles, which had their roots in England, seem to have materialized lately in hundreds of fields worldwide, and just about everyone has an opinion as to what they might possibly represent, and how they were created. The theories run the gamut from warnings being beamed Earthward by troubled aliens, to Mother Earth herself, crying out for help in a symbolic fashion as she continues to be plagued by pollution, oil spills and a raft of other inhumanities devised by humankind.

Naturally, due to the controversial nature of the topic, the market for literature on the Crop Circles is varied. About a dozen books have been published, and several newsletters even exist to keep the faithful updated on the latest Crop Circle activity. And while most of those investigating the phenomena have their roots in the U.K., at least one American group has been formed to investigate and report on the latest findings in this field.

Rosemary Ellen Guiley is the author of seven books on the paranormal, mysticism and consciousness, including *Harper's Encyclopedia of Mystical and Paranormal Experience* and *The Encyclopedia of Dream Symbols and Interpretations*. Just recently, she started the Center for North American Crop Circle Studies (Box 4766, Lutherville, MD 21094) and will soon publish a newsletter to discuss the links between Crop Circle Activity and UFO phenomena, plus the strange and paranormal effects associated with the Circles.

So far, Rosemary has been to England three times to witness the phenomenon for herself, and each time she has gone away feeling "strange" after having spent some time inside one of the patterns. "I have had migraine headaches, I have lost my appetite, and bizarre PK effects have taken place, including the day my camera took pictures by itself," to mention just a few of the odd things that she has experienced. She will appear March 12-15, 1993, at the 3rd annual National New Age and "Truth About UFOs" Conference to be held in San Diego at the Lafayette Hotel, 2223 El Cajon Boulevard, (619) 492-8588.

T. LOBSANG RAMPA

His Powers Are Unsurpassed in the West!

Rampa's books have sold over 15 million copies throughout the rest of the world, but have successfully been CENSORED in the United States. In cooperation with Rampa's estate, INNER LIGHT plans to bring out the Lama's collective works (some 25 titles) at the rate of one approximately every other month. The following are titles are NOW available

THE HERMIT

The cave which just moments before had been pitch black was now filled with excessive light and suddenly the old hermit—who had been blind for countless years—could see. Before him stood The Wise Ones—majestic beings with brilliant auras, perfect in nearly every way. Escorted into their bizarre (to him, anyway) craft, the Hermit was flown into space. Before him on a giant screen were flashed scenes of the seeding of Earth by the Creators; a fierce battle in the depths of space between Satan and God's Forces; the truth about all religions; the years Christ spent in Tibet; the Great Flood; the arrival of the Gardeners (their history goes back millions of years) from space.—\$12.95

MY VISIT TO VENUS

"Tibet," says Rampa, "is the most convenient country for flying saucers. It is remote from the bustle of the everyday world, and is peopled by those who place religion and scientific concepts before material gain. Throughout the centuries the people of Tibet have known the truth about flying saucers, what they are, why they are, how they work, and the purpose behind it all."—\$7.95

DOCTOR FROM LHASA

At the age of seven the Day of Prophecy arrived, and the court astrologers pronounced their findings. It was proclaimed that Rampa was to enter the lamasery to be trained as a clairvoyant and as a healer. Many predictions were made about his life, including the fact that his work would be heralded around the world. While still very young, the author's Third Eye was opened, increasing his mental powers, as well as his ability to view the human aura, and to read thoughts. This volume discusses karma, the other side of death, the silver cord, seership, crystal power, ghosts, as well as astral projection.—\$12.95

YOU FOREVER

Thirty metaphysical lessons designed for the reader to work at their own pace. Step-by-step methods for seeing the human aura, traveling in the astral plane. Learn to see clairvoyantly. Written in Rampa's usual warm, humorous and charming manner. A full 288 pages.—\$12.95

By special arrangement with Samuel Weiser, Inc.

FEEDING THE FLAME

As the author lay desperately ill in a hospital, he looked up with pleasure to see his old friend and mentor, the Lama Mingyar Donup, standing by his bedside. But it was with some dismay that he listened to the message that the Golden Figure had brought. Rampa's work on this plane was not, as he thought, completed...he was told that he could not as yet pass on to the next plane, but that he had more mystical truths to reveal to the world. Here is Rampa's observations on such intriguing subjects as Life After Death, Suicide, Meditation, Ouija Boards, Demons, the Astral Body, Organ Transplants, etc.—\$12.95

PROTECTING YOURSELF AGAINST THE ALIEN "HARVESTERS"

"According to a national survey, one out of every fifty persons has been abducted by aliens, with the total figure of abductees being around five million currently in America." This bold statement is not to be found in one of the weekly supermarket tabloids, but is provided by a most unusual source. Recently, a number of actively practicing psychiatrists have begun to offer therapy and group counseling for those who have undergone traumatic encounters at the hands of an alien force that seemingly has the power to invade our homes and our minds, taking the terrified for lone journeys into space and experimenting on their bodies in any fashion and manner that they so choose.

To date—from what would seem to be an unlikely source—help of a highly spiritual nature has become available through a very unusual woman, Sri Donato of the California-based organization, *Morningland*. Unlike most gurus or avatars, Sri Donato does not provide philosophical stimulation or thought that has to be broken down and dissected in order to obtain "true understanding." Sri Donato is much more practical—less dogmatic—in her approach, offering sound advice and wisdom that is based upon over twenty years of pioneering research into, she says, "the levels and depths of the mind that are virtually unknown at this time."

The way Sri Donato sees it, "The Alien Harvesters are violating Divine Law by taking your God-given Free Will away from you. They give you no choice. They take your body, insert implants which tag you for the rest of your life. They stun your mind, wipe out your memory of time and space, and drop you back with the mutilated cattle—only your mutilation is in the form of confusion, nightmares, fears and phobias, leaving you feeling helpless. The 'Harvesters' are the ultimate thieves—they are a dark, demonic invasion. They are aliens who have no respect or reverence for your body, your mind, or your divine spirit."

There is now, according to Sri Donato, something that can be done about this vampire-like situation. "There is now direct help available to victims that are suffering the prolonged traumatic effects of abduction. This direct help is beyond the traditional means everyone is familiar with and includes the following categories.

1. WOMAN WHO HAVE HAD THEIR FETUSES STOLEN BY ALIENS.
2. MOTHERS WHO ARE ABDUCTEES AND FEAR FOR THE SAFETY OF THEIR CHILDREN.
3. THE NEUTRALIZATION OF IMPLANTS.
4. NIGHTMARES CAUSED BY ALIEN INTRUSIONS WITHIN THE SUBCONSCIOUS MINDS.
5. THE DESTRUCTION OF THE PSYCHIC LEVELS OF THE MIND.
6. GENERATIONAL TAMPERING BY ALIENS.

All these categories deal with alien violation of Universal Law. "The technique," say her followers, "that Sri Donato uses provides protection and repair for any damage previously done physically, mentally, and spiritually. Hypnosis is not used in this technique, nor is regression. Many people fear being hypnotized, not knowing what they may say, or that it may not work. In Morningland, with Sri Donato and the lamas, the abduction experience is released naturally and seen from the clear view of the higher mind."

According to Morningland's technique, "Abductees are released from their fears and traumas and are never bothered again. The vibration and frequency of the master Sri Donato is so high that the coercive mental tactics used by intruding aliens are neutralized within the coal of protection. And if an abductee has been implanted by the aliens, the implant is rendered useless as Sri Donato activates the vision healing ray within you."

The scribes at Morningland claim that they have case after successful case to point to, offering one such incident involving a woman who was abducted at intervals throughout her life starting in childhood. "My abductions began when I was just seven," says the woman. "They continued repeatedly until I met Sri Donato. Using her process I had full recollection of all my abductions and intrusion of the aliens without any fear or trauma normally associated with these terrifying events. Without hypnosis, I consciously remembered detailed accounts of being taken aboard their ships, the surgical procedures performed on me, and the implant they put in. I remember when I

was 21, the incident where the aliens attempted to abduct my first daughter. My second daughter was plagued by nightmares which I knew was of alien doing. No matter where I lived or who I was with, they found me. The abductions continued and increased from once or twice a year to almost every other month. Being with Sri Donato, I am no longer bothered by the aliens and I'm convinced my family is now safe. During the last abduction attempt, I called out to Sri Donato and she appeared, changing completely the terrifying experience of abduction to one of light and divine intervention."

At the 4th Annual National New Age & Alien Agenda Conference, a rare public demonstration of Sri Donato's "Direct Transmission" ability will be given as part of an extensive workshop covering advanced techniques for the guidance and protection of Close Encounters. Her public lecture will be entitled: "Sleeping With The Enemy—Where And How The Aliens Penetrate Into The Dreamline And How To Protect Yourself From That Intrusion." Those wishing direct contact with Sri Donato may reach her through Morningland, 2600 East 7th Street, Long Beach, CA 90804.

Lecture: 10 AM
Saturday, March 13, 1993

The venerable master Sri Donato is the only living Avadhuta master teacher of the highest magnitude in the world. The master's very presence is one of power and mystery. The master's touch opens awareness.

Saturday, 5:30 PM, Room B

COUNT SAINT GERMAIN—THE MOST MYSTERIOUS MAN OF ALL AGES—WOULD LIKE TO SHARE THE SECRET OF ETERNAL YOUTH WITH YOU!

SECRET FORMULAS OF THE WORLD'S GREATEST ALCHEMIST REVEALED FOR THE FIRST TIME

- ✓ Would you like to lead a happy, healthy and prosperous life of well over 200 years?
- ✓ Would you like to be able to apply certain ancient formulas and become rich beyond your wildest dreams?
- ✓ Do you wish to have more say in your life's destiny and added control of your mind and body?

Science may be on the verge of a fantastic breakthrough in life extension. At this very moment researchers in various universities and laboratories around the world are on the cusp of a monumental discovery which will allow each and every one of us to live longer, more productive, lives. It is speculated that a good percentage of us alive today could live to be 200 years old—and beyond!

Actually the secret of longevity has been known to spiritually advanced individuals for centuries. A reading of the Bible shows that it was not uncommon for those close to God to live to be a thousand years of age. Some theologians even suggest that one Biblical figure, St. John the Apostle, may never have passed away, but might have gone right on living, because his heart was so near to the Lord and he had befriended His only son Jesus.

Every age has its sages, its avatars, its prophets, and its master spiritual teachers.

Yet, no other figure in any age—including the time in which we currently live—is more revered than is the man of mystery known the world over as the Count Saint Germain—the man who never dies.

But who is Saint Germain? Does he really exist? And if so, what meaning can he possibly have in our lives?

Indeed, does he have an important message that he would like to share with each one of us? And if so, should we take what he has to say with a great deal of seriousness?

More and more, we see the name Count Saint Germain popping up in popular literature, from occult books to "dime store" historical novels.

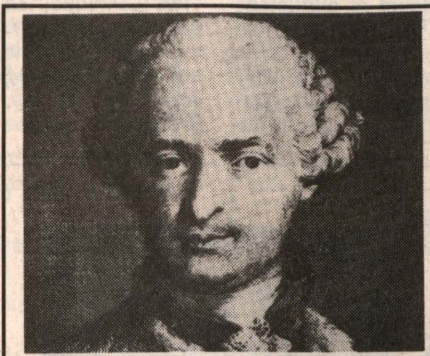

There are those who claim to have met him personally, while others say he has "materialized" before them, or spoken to them on a regular basis, "channeling" messages of love, harmony, prosperity and immortality from a hidden city somewhere beneath Tibet.

YOU CAN BECOME AN ALCHEMIST

Here is said to be a man still alive and approaching the ripe old age of 400, who supposedly roamed Europe in the Seventeen Hundreds, helped the Founding Fathers draw up the Bill of Rights, and appeared on a television program in France as recently as ten years ago.

Furthermore, Saint Germain stumbled upon the secrets of the ancient art of learning how to restructure matter, rearrange atoms, and turn a lump of ordinary slag into a valuable piece of gold the size of a fist.

It can be proven he was rich beyond our wildest

A rare portrait of Count St. Germain commissioned in 1785, before faking his own death.

dreams...much richer than Rockefeller, the Rothschilds or any would-be dictator.

Saint Germain literally adorned himself with diamonds (which he "manufactured" in an alchemist's furnace), and most importantly, came across an ancient Cabalistic spell which enabled him to create the legendary "Philosopher's Stone" for eternal youth.

A TRUE ASCENDED MASTER

Throughout the last four centuries, Saint Germain apparently has walked the Earth in a variety of disguises, easily mingling with world leaders in order to promote the virtues of freedom and democracy. He particularly loves the United States, and has saved this country from great harm several times when he appeared before our President to offer advice and wisdom from higher realms. He may have even helped avert a nuclear war with Russia during the Cuban missile crisis, and is said to have warned Kennedy not to go to Dallas.

NAPOLEON'S SECRET COMMISSION

Among others, Napoleon was so taken with Saint Germain's activities in Europe, that he had formed a special commission to investigate the life of this man to see if there was any truth to the many fantastic claims being widely spread about him. The commission's findings were destroyed in a fierce fire that is thought to be more than "coincidence."

What we've concluded is that Saint Germain's ability to never grow old, lies not just in metaphysical teachings, but in his very philosophy of living.

Now as we move further along into the New Age, it is possible for each of us to accomplish much of what Saint Germain has done; to literally become our own alchemist and discover for ourselves the secrets behind the "Philosopher's Stone."

If you are at all fascinated with the possibility of immortality for yourself, or wish to possess the secrets known to only a few "wise men" or adepts, then by all means you will want to place your order for this book using the coupon provided.

Cope Schellhorn, offers the reader in a simple straightforward style an in-depth, down-to-earth look at the new evidence which suggests that our Scriptures have even more to say to us than we previously believed. Now open to us is a new dimension of meaning that is as startling as it is finally reassuring.

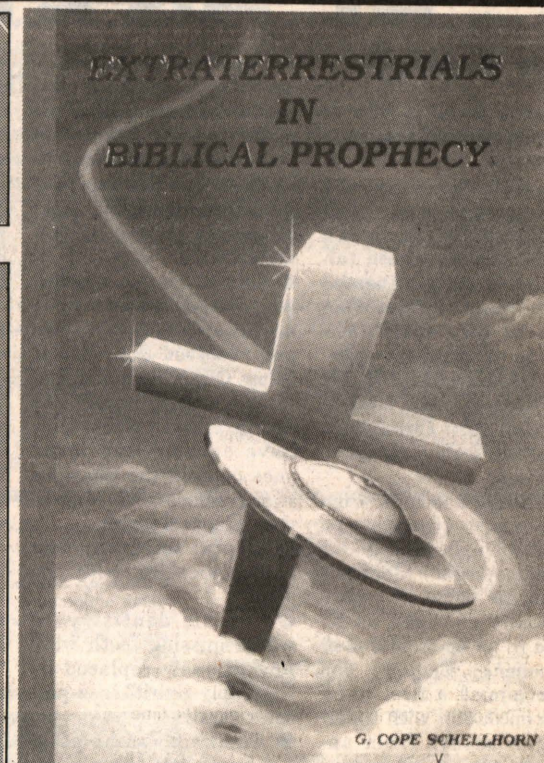

In such chapters as "Walking with God," "Ezekiel's Spaceship Odyssey," "Conversations with Cosmonauts Along the Tigris," "The Flying Scrolls," "Saint John Reveals Spacecraft," "The Return of the Son of Man Out of the Clouds," and many more, Professor Schellhorn guides the reader in exploring the extent of extraterrestrial involvement in the scriptures generally and prophecy in particular. Every man and woman on earth needs to read this new, inspiring work in these troubled times.

ONE OF THE WORLD'S MOST WIDELY RESPECTED
PSYCHICS TELLS YOU HOW TO OBTAIN
**EVERYTHING
YOU DESIRE IN
THE TWINKLING
OF AN EYE**

by Tim Beckley

Bryce Bond is one of the most remarkable men of our age.

In addition to personally having observed many miracles in his life, he is a famed psychic whose talents have been witnessed by millions of television viewers who each week tune in to watch his popular **DIMENSIONS IN PARAPSYCHOLOGY** program seen throughout the New York metropolitan area.

Although a skeptic when it comes to things even slightly "supernatural" for a good part of his life, Bond found his belief structure radically changed as he stood in an open field near Stonehenge, England, and experienced a first-hand close encounter with super-human beings from another world who had landed in a UFO.

Before this event, Bond had been a disk jockey and talk show host on a popular Manhattan radio station, "when an inner voice told me to quit my job right in the middle of a broadcast. As soon as the next record went on, I marched into my bosses' office and informed him that I was going off the air. He couldn't believe what he was hearing, but I knew I had something more important to do in life besides spin Frank Sinatra tunes."

Over the course of the next few years, Bryce traveled to exotic corners of the globe tracking down what others would consider to be "unbelievable stories." Among the incredible feats of psychic powers he witnessed were:

- Out-of-body travel, where individuals near death actually looked down and observed their bodies below. Often these men and women passed through the door to heaven where they have encountered loved ones or even the Supreme Being before returning to their physical forms.

- Mental telepathy and communication with the dead.

- Psychic dentistry, in which missing teeth were mysteriously replaced by the "Holy Spirit" in a person's mouth.

- Amazing examples of healing with the simple laying on of hands.

- Bonified meetings with extraterrestrials.

- Astral projection, in which a person was able to travel through space and time while they physically remained seated in a chair.

Super Psychic

Training with those many experts he met, Bryce soon discovered that he was as much of a psychic as anyone else—only, perhaps more so. Today, this talented and intelligent broadcaster has de-

veloped his abilities to the extent where he can bend metal, act as a channeler and medium, as well as work in the healing arts (going so far as to be accepted as an accredited member of the National Federation of Spiritual Healers in Great Britain).

Says Bond: "Some healings can be done in just 30 seconds with the transfer of energy into another individual. As I place my hands on the troubled person, I visualize the affected area as totally perfect. Then, I flood the area—mentally—with white light."

As for what others have termed "channeling," Bryce also finds that he is quite receptive to picking up vital information from "other sources." "Much of the material I 'receive' is of a spiritual or personal growth nature, meant to enhance the lives of those I am counseling for. It is possible for me to tap into the collective unconscious much like the late Edgar Cayce did."

Anyone can possess amazing powers

According to Bryce Bond, everyone on Earth has the capability to be psychic and to use the hidden powers of the mind. "At birth we are given these powers but are taught at an early age that such things do not exist, so

Bryce Bond has taught others to use their psychic abilities, including how to bend metal with a few simple mental commands. His TV show **Dimensions In Parapsychology** has a viewing audience of millions in the New York metropolitan area. He has been written about widely including in the *New York Daily News* and *Omni* magazine.

we discard them from our life. Soon, as we grow older, our life becomes a mixture of hate, fear, jealousy, envy, anxiety and tension and we find ourselves missing out on that which we desire the most simply because we do not know how to 'tune in' to our higher—more perfect—self.

"All around us," insists Bond, "there is a psychic explosion going on that is going to create a New Age of enlightenment for all those who learn how to 'tap into' this new flow of cosmic energy."

Foremost Spokesperson

For the past few years, Bond has lectured to universities, civic groups and in front of large groups of businessmen and women. He has spoken at the United Nations, at New York University, Hofstra, Drew, Seton Hall, the University of Southern California, as well as had his views aired on the BBC in London. Now through an exclusive agreement with

Inner Light Publications, Bryce has put together a book that he is positive will help others who truly desire to obtain all that they desire in life—and virtually in the twinkling of an eye.

Through a few simple techniques, the reader will find him or herself in total control of every situation—from the most common everyday, problem, to the unexpected that often throws us for a loop.

MAX—THE CRYSTAL SKULL

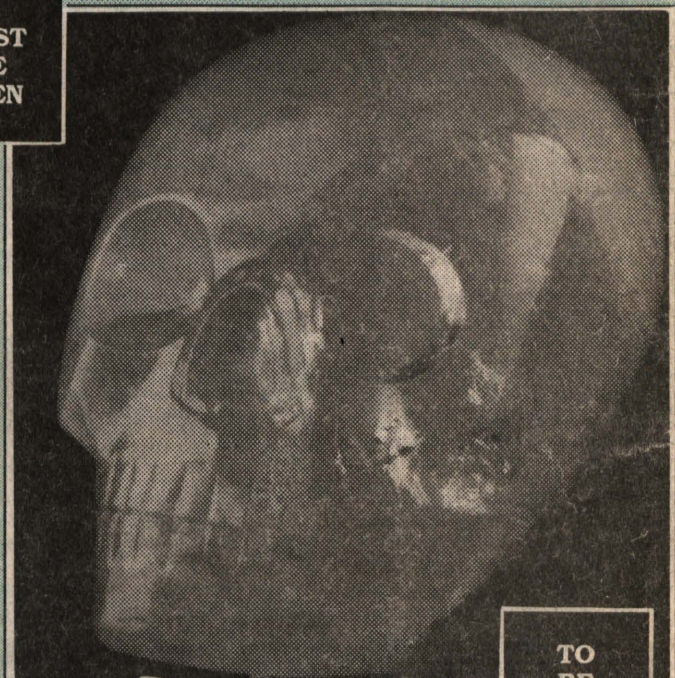

**PROVEN TO BE OVER 10,000 YEARS OLD.
WAS IT BROUGHT TO EARTH BY ALIENS?
CAN IT ENHANCE YOUR PSYCHIC POWERS?
MANY HAVE REPORTED CLAIRVOYANT
EXPERIENCES IN ITS PRESENCE!**

A MYSTERIOUS 10,000-year-old crystal skull acts like a TV set to the past — and could be a gift from an alien civilization, reveals its owner.

"A lot of people say the face on the skull changes into a woman or an extraterrestrial when they look at it," says JoAnn Parks of Houston, Texas, who was given the bizarre carving by a now-deceased Tibetan monk, Norbu Chen, in 1980.

"By far, the most dramatic phenomenon associated with the brilliant skull is the clear holographic images that appear inside. It's activated through the right combination of color, natural light, sound and human energy.
